

## Camp Star

### Cinco De Mayo Vendor Participation

DeLaTorre O & P is hosting an amputee event on May 5th from 1-5 pm at **Greentree Crown Plaza Hotel-Pittsburgh**. Dr. Anthony Kirby will be speaking on "Living as an amputee" and many local amputee resources [support groups, adaptive sports, research studies, activities of daily living resources] will be joining us to let the Pittsburgh amputee community know what is available.

As a part of our time together we will be having a Chinese Auction to fund raise for **Camp Star**: a local kids amputee camp that meets each each year at Camp Kon-O-Kwee.

More information is **available on their website**.

#### What we are asking for?

You are a valued partner with us in meeting the needs of the amputee community. We ask that you show your support by donating gift cards or things of value [tickets to events, etc] that can be utilized at the Chinese Auction. You can either make up your own basket or provide us with items that we can list with your name as an auction item.

#### When do we need these items?

Our event is May 5th we ask that all items be at our RIDC corporate facility by 4.28. Thanks for your consideration.

## Advances in Rehabilitation for the Patient with a Lower Extremity Amputation - May 4-6, 2017

This **two and a half-day blended course** is specifically designed to provide updated information regarding rehabilitation of the client with the lower extremity amputation. With live models and case studies throughout, participants will review prosthetic prescription, current components, and functional training.

The course will identify progression of activities beyond basic rehabilitation addressing core strengthening, balance, gait training and optimal outcomes.

Dates: May 4-6, 2017  
Earn: 22 CEUs

New Location:  
Shirley Ryan Ability Lab  
355 E. Erie, Chicago, IL 60611

# Prosthetics and Orthotics for Therapists™

## Continuing Education Series

The purpose of our Prosthetics and Orthotics for Therapists™ continuing education course series is to provide continuing education credits for therapists in Pennsylvania by presenting courses on various aspects of upper and lower extremity prostheses and orthoses.

Cost Effective? There is no cost. You can't get more cost effective than that!

To schedule your course series, **contact Libby** at 412-310-4445.
